When Buying Fuel

The consumer must always figure on the actual amount of heat and comfort that is gotten for the money spent.

We believe that our connections of long standing, coupled with the large amount of fuel that we buy, make it possible for us to sell the very highest grades of Coal and Wood at prices that are cheaper to the consumer. A trial order of our Coal and Wood, or an opinion from some of our satisfied customers, will prove that our idea of putting quality first is correct.

WEDNESDAY EVENING, NOV. 3

TORSED INTO TREE TOP.

Dr. George Boehm and Mrs. Boehm were found laughing on trees along a steep hillside yesterday after their team of horses had been killed on the Pennsylvania Railroad tracks a hundred feet below. They were driving about 200 feet above the track when the horses became frightened and plunged over the steep hillside.

Mrs. Boehm was thrown into the branches of a tree, while her husband continued with the runaway horses until he lost his hold and was also pitched into a tree. The team alighted on the railroad tracks in time to be ground to pieces by a heavy freight train. The crew investigated, and with ropes rescued the doctor and his wife. Mrs. Boehm was unconscious.

Croup is most prevalent during the dry cold weather of the early winter months. Parents of young children should be prepared for it. All that is needed is a bottle of Chamberlain's Cough Remedy. Many mothers are over without it in their homes and it has never disappointed them. Sold by W. F. Greighton and Richard Gibson.

THE BAPTISTS.

The General Baptist Association of Virginia concluded its session at Richmond last night and adjourned to meet next year in Norfolk. The session last night consisted of addresses by W. O. Carver and Milton G. Evans.

In the afternoon the services in memory of the pastors who died during the last year were held. These 14 ministers died in a year: J. R. Quarles, J. W. McCowan, R. B. Sanford, J. B. Hawthorn, O. E. Ellyson, J. P. Lancaster, J. A. Mundy, M. E. Parrish, T. D. Scott, S. G. Mason, Thomas P. Pearson, Robert Williamson, Joseph Leonard and C. E. Stuart.

Rev. Joel Tucker, who has charge of the ministers' fraternal benefit association, presented his report, which was agreed to by W. J. Kendrick.

The report on foreign missions was presented by Rev. R. B. Garrett, of Portsmouth. The report gives a survey of the work of missions and what the southern Baptists are doing. This year missionaries of the convention are in every country on the globe except Tibet. Missionary workers in the foreign field number 115,120, and the membership of the churches in these lands is 2,097,863. It took 100 years to win a membership of 1,000,000 on the foreign field and the second million was won in 10 years. "Our board sent out last year 31 new missionaries. We have 288 new churches, 712 workers and 19,239 members. The contributions last year of the home churches were \$501,058, and the churches were asked to raise \$600,000 this year." Rev. H. S. Mable, of Bluefield; Rev. Dr. T. B. Ray and Rev. C. B. Willington spoke on the report.

Papers concerning a conspiracy for the capture of President Diaz and the assassination of the vice president, the foreign minister and all the heads of the government have been unearthed in Mexico.

The Famous Rayo

Gives the Best Light at Any Price

When you pay more than the Rayo price for a lamp, you are paying for extra decorations that cannot add to the quality of the light. You can't pay for a better light, because there is none. An oil light has the least effect on the human eye, and the Rayo Lamp is the best oil lamp made, though low in price. You can pay \$5, \$10, or \$20 for some other lamp, and although you get a more costly lamp, you can't get a better light than the white, mellow, diffused, unflattering light of the low-priced Rayo.

Has a strong, durable shade-holder. This season's burner adds to the strength and appearance. Made of solid brass, nickel-plated, and easily polished.
